Exclusive to 365 Care

Ageing Well Program

Thriving while ageing in the home you love! Get exclusive access to our **Ageing Well in Place Program**, for practical support to help you thrive as you age.

The program brings together education, expert advice and in-home services to give you the knowledge, confidence and support to remain well and independent while enjoying life at home in the community you love.

Focussed on the six key aspects of health that extend wellness and independence at home, it provides a pathway from prevention through to personalized support and ongoing advice as needs change over time.

What's included:

Free Advisory with Home care experts on call

Free e-book on **Six keys to Ageing Well at Home**

Free 12-week **Bridging Care Program**

Full range of home support services

Care planning & advisory consultations

www.**accept.care**

All clients get a copy of our free e-book

Understand the Six Keys to Ageing Well at Home to make informed choices about how to stay well and living independently at home. Easily identify the signs that matter and the support options available that best protect you.

Bridge the gap with 2hrs free care a fortnight while you wait

Enjoy free resources, expert advice, in-home visits, and a 12-week Bridging Care Program offering free domestic assistance while waiting for funding.

Get access to Support at Home funding with help at every stage of the journey
